ISSN 0147-619X

PLASMID

An International Journal Devoted to Extrachromosomal Gene Systems

Volume 2 • 1979

EDITOR-IN-CHIEF

Richard P. Novick

EDITORS

Piet Borst
Royston C. Clowes
Julian E. Davies
Nicholas W. Gillham
Donald R. Helinski
Mark Richmond
Peter Starlinger
Charles A. Thomas

No part of this publication may be reproduced or transmitted in any form or by any means, electronic or mechanical, including photocopy, recording, or any information storage and retrieval system, without permission in writing from the copyright owner.

The appearance of the code at the bottom of the first page of an article in this journal indicates the copyright owner's consent that copies of the article may be made for personal or internal use, or for the personal or internal use of specific clients. This consent is given on the condition, however, that the copier pay the stated per copy fee through the Copyright Clearance Center, Inc. (Operations Staff, P.O. Box 765, Schenectady, New York 12301), for copying beyond that permitted by Sections 107 or 108 of the U. S. Copyright Law. This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Copy fees for pre-1979 articles are the same as those shown for current articles.
